**Do you know about the
“Van Gogh - Up Close” Exhibition at the National
Gallery of Canada beginning this May 25th?**

The Ottawa Chinese Canadian Heritage Centre, a registered charity, views the Van Gogh Exhibition as an opportunity to engage community youth in learning the Asian influence on his art. We will offer free hands-on classes at the school or at our Centre to interested youth ages 6 to teens. This summer long educational experience will also offer a contest and exhibition to demonstrate the level of mastery the student has achieved.

**Come and join us on May 12th, for a talk by a special speaker
about Van Gogh and for hands-on activities!**
